Testimonials:

As a recipient of a MASBO educational scholarship the last two years I would like to say "Thank You" to the Scholarship Committee, MASBO members, vendors, and others who contributed to the scholarship fund. This monetary help is especially important to me as both my parents work and I am not eligible for many "needs based" scholarships or grants. Your help is greatly appreciated and has allowed me to dedicate more time to my studies. I will continue to work hard to be worthy of your support.

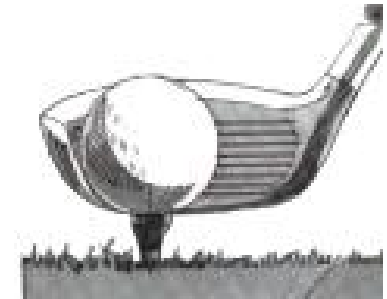

- Amanda Booth

*My son, Tom, will be forever grateful to the SBOSF. He is in the nursing program at Gustavus and received his scholarship just in time to purchase his stethoscope, scrubs, and shoes along with all of the expensive books. Once a student is past his/her freshman year there are just not that many opportunities for scholarships so this is wonderful!
Thank you so much to the SBOSF.*
